

Home Candy Floss Maker

Domestic Candy Maker

All the fun of the fair in your own home with this easy to use candy floss maker. Just simply add caster sugar to make fresh fluffy candy floss. Ideal gift or for use at home parties and celebrations.

- Easy to use
- Includes measuring cup
- Includes candy floss sticks
- Great fun for all the family
- Fresh Candy Floss in just a few minutes

Measure caster sugar into the supplied measuring cup, and pour into the centre; then wait for the sugar to warm up and create whisps of candy floss strands, ready for you to catch and roll onto a candy floss stick.

The Sephra candy floss makers are far higher quality and give much better performance than the cheaper alternatives available in the high street.
