

# 8oz Popcorn Maker

## Commercial Popcorn Maker

This 8oz popcorn maker is ideal for light commercial and domestic party use. The 8oz kettle can produce 8oz's of popcorn every 3-4 minutes, whilst keeping the popped popcorn warm on the heater deck. This perfect design allows your customers or guests constantly fed with warm delicious popcorn. The popcorn maker includes matching cart, however it can be used with or without cart.

Features include, removable kettle, sturdy metal construction, and a removable kernal tray.

The removable un-popped kernel tray, allows you to capture any kernels that haven't popped. This feature reduces waste, and is also ideal for cleaning.
