

CFI6E - Select

Domestic Chocolate Fountain

The "little brother" of Sephra's larger fondue fountain models, at 16" the Select Chocolate Fountain is the perfect size for small gatherings and makes a great gift for the chocolate enthusiast or the person who has everything!

With its streamlined styling and beautiful brushed stainless steel finish, it will be the highlight of any special gathering. The heated basin allows you to melt the chocolate in the fountain, and the QuickSet tier system and dishwasher safe parts make cleaning a breeze.

The Sephra Home fountains are far higher quality and give much better performance than the cheaper alternatives available in the high street
