

Ring-Sizing Guide

Before you print this Ring-sizing Guide, please make sure your printer is set to print 100%.

Measure a Ring:- If you have a ring that fits properly in your finger or your loved ones finger for which you want to know the ring size, then place your ring on the circle that is closest to your ring size. The inner edge of the ring should align with the outer edge of the circle.

Note: If you are not fully satisfied with the measurements, contact us.
