## Chocolate Fountain

Ideal as a gift or for use at parties and celebrations. A budget level stainless steel chocolate fountain for home / domestic use, has been designed to meet the lower price band that the market demanded, but with the higher quality of other products at this price point.

An American Originals Chocolate Fountain is ideal for parties of up to 10 guests, having a chocolate capacity of 900g. A stainless steel base gives it that professional look and feel, and dishwasher safe parts makes it quick and easy to clean.
